K-12 FOODSERVICE SOLUTIONS

NEWAGE INDUSTRIAL

Reduce hunger and waste with a New Age Share Cart.

Elevate any school share program with a New Age Share Cart! This cart comes in many colors, and features two locations for custom signage to encourage students to share their individually packaged foods, milk, juice, fruit, and more.

The cart comes with cold food pans that, when frozen, can hold food safely for 6-8 hours eliminating the need for ice! Heavy duty casters, a lightweight design, and a convenient push handle make this cart easy to maneuver.

More Colors Available!

Add Some Flavor To Your Cafeteria

With The Flavor Station Cafeteria Condiment Cart.

The Flavor Station has provided a way to serve more students in a small space without expanding the footprint.

This mobile cart rolls from the serving line to the register reducing the risk of stolen or damaged items. This space-saving mobile cart is not fixed, so it is easily rolled back and locked away when not in use.

- ✓ Self-Serve Convenience.
- ✓ Increased Efficiency.
- ✓ Grows With You
- ✓ Portion Control.

Six Removable Pans

A Customized Solution to a Growing Problem.

Moving breakfast out of the cafeteria and making it a part of the school day has become crucial for increasing school breakfast participation. Putting carts where students congregate reduces social stigmas and increases participation.

53757H | Scrap and Stack
with handle

Scrap and Stack

Ideal for serving lines and buffets, this labor-saving cart makes after service cleanup a breeze.

Scrap…

Simply roll the unit in place and scrape leftover food, through the cutout in the solid top, into the scrap container below.

And Stack.

Steam table pans are stacked, two wide, and contained within the top rail. Sheet pans are stacked just below the top deck along with a removable soiled utensil container.
