

RPI REGAL PINNACLE INTEGRATIONS INDUSTRIES, INC.

CONCEPTS... **TO REALITY**

RPI WINE FURNITURE®

From single section standard size, California Series Wine Units, to a state-of-the-art refrigerated wall of wine that will become the central focus of any room, we can assist in making your Concept a Reality.

California Series

Diana Series

RPI FOOD FURNITURE®

Think about it. Creating the most attractive way of merchandising the Food Presentation can only lead to increased product sales. Integrating a combination of stainless, glass, decorative laminates and synthetic stones in either a refrigerated or non refrigerated case will make an unsurpassed statement with **RPI FOOD FURNITURE®** that is manufactured to N.S.F. standards.

RPI VISI-BOND®

UV Bonded glass showcases the latest design in protector guards with clean, crisp seams that attach horizontal and vertical glass without the need for noticeable adhesive joints.

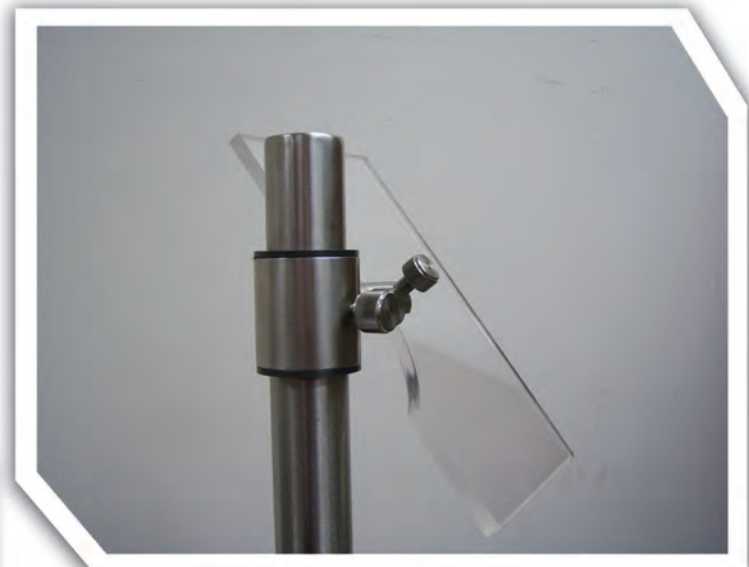

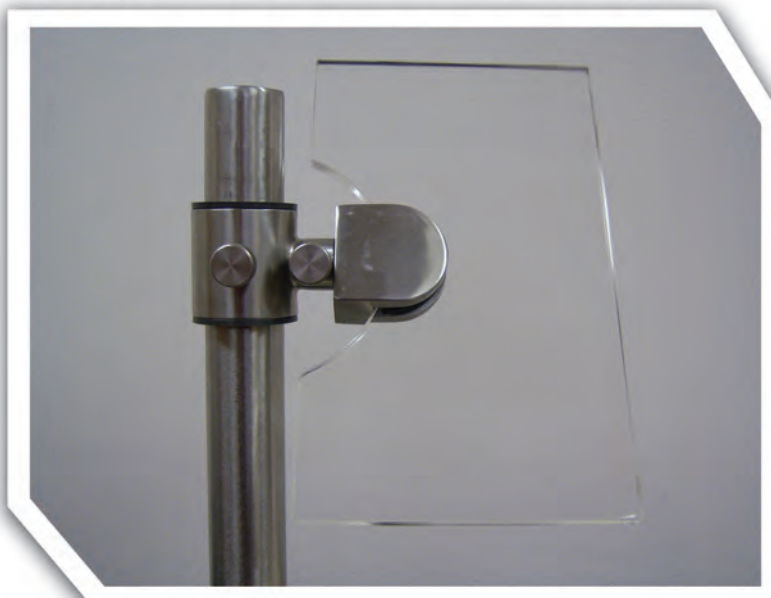

Flush mounting brackets secure the glass to the counter using horizontal stainless, concealed hardware eliminating the need for noticeable fasteners. The end result... inconspicuous Protector Guards.

RPI PIVOTEER®

Total flexibility allowing the glass food shield to adjust for self serve or non self serve applications with a simple pivot mechanism manufactured of stainless steel that can easily adjust up or down on a 1 1/2" vertical stainless post.

Paddle Style Pivoteer can utilize 1/4" or 3/8" thick glass.

Barrel Style Pivoteer is designed for 1/4" thick glass.

Units are available with optional lights and heat.

Concepts to reality... saving energy

- Refrigeration System:
 - High Efficiency
 - CFC Free Refrigerant
- Economic Cool-White T5 Fluorescent Lighting:
 - High Output
 - Low Mercury
 - Low Power Consumption
- ECM Programmable High Efficiency Evaporator Fan Motor and Blade:
 - Low Power Consumption
- Electronic Digital Control and Defrost Termination:
 - Minimizes elevated product temperatures during defrost.**Fast Recovery!**
- Aluminum Recyclable Frames!
- All Laminate is **Green Certified!**
- Adhesive is **Formaldehyde Free!**
- FSC Certified Wood Products:
 - **Formaldehyde Free and Green Certified!**
