GTS12
HEAVY DUTY ELECTRIC GRIDDLE TOP

MOUNTING BRACKET

GTS models can be mounted every 12" section of MSA, 900RE, 900RX and RRG models.

GTS12 units and mounting frames are designed to be used with Vulcan heavy duty gas griddles with standard 4" high backsplashes. (MSA, 900RE, 900RX and RRG gas griddles). Griddles with backsplashes taller than 4" will require field modification.

Mounting frames are available in 24", 36", 48", 60" and 72" sizes. Specify the griddle type & size for field installations.

This appliance is manufactured for commercial installation only and is not intended for home use.
