an 30-quart bowl at a working height.

## Step It Up With These Multipurpose Angle Racks

Extremely versatile, these racks are designed to transport a WIDE variety of pans and trays in a WIDE variety of sizes. Extra-wide step angles are welded to the heavy-duty frame giving you the freedom to mix—and-match pans and trays of various sizes on one rack.

1637 | Stepped-Angle Rack  
Universal Roll-In

1642 | Stepped-Angle Rack  
Universal

1610 | 1/2-Size Insert Rack  
*Full size models also available.*

**Insert Racks** are designed for freezer and refrigerator/cooler use and are designed to hold 13" x 18", 14" x 18", and 18" x 26" sheet pans. These racks fit most reach-ins with a 21" clearance.

## Dry, Store, Transport and MORE!

These Adjustable Tray Drying Racks conveniently stack pans and trays for drying without contact, allowing air to circulate freely for faster drying and to reduce pan-to-pan contamination.

95413 | Adjustable Tray Drying Rack

## At Your Service

All of these units were designed to hold a high capacity of 15" x 20" trays. Our **Tray Return Carts** come with an optional "staph check" cover to help protect contents and are equipped with vertical bumpers and pan stops as standard features.
