## Sauce Bottles That Squeeze Out the Competition

EZ-KLEEN® sauce bottles help streamline operations with a plating and food-prep sauce dispensing solution that is easy to use, clean, and affordable.

Fill from the top, and gravity directs contents toward the leak-resistant dispensing valves that are protected from surface contact by the unique cap design. Their smooth side walls make cleaning a breeze.

EZ-KLEEN sauce bottles are available in 16-, 20-, and 24-ounce sizes with three valve options for thin-to-thick sauce dispensing:

- Green valve for thin sauces like balsamic vinegar.
- Yellow valve for more viscous sauces like mayonnaise.
- Blue valve for thicker sauces like tartar sauce.
