

FASTLANE PROGRAM

The FastLane Program offers faster processing and delivery to you on the most popular Thurmaduke serving line configurations

What is the FastLane Program?

The FastLane Program has curated the most frequently requested options from Thurmaduke to provide a simpler and faster experience for customers. Select from available modular components to configure to your unique needs, retaining beauty and functionality while gaining additional benefits of easier design and faster delivery.

**some exceptions apply, contact a Duke Sales Rep to learn more*
