

# Speed up your profits with double the throughput.

Because we know every second counts and time is money, Prince Castle's CTDE enables you to toast 2 buns in the time it took to toast 1 bun. This is proven technology, in fact top QSR chains have used our dual sides toasters for years.

- 30% smaller compared to our legacy 297 toaster—takes up less space
- Adjustable toast times ranging from 6-40 seconds
- Easy to use touchscreen display with precise and repeatable settings
- Larger compression settings to accommodate more bread types
- Available in three conveyor options: wire, silicone and stainless steel

**When it comes to speed of service, every second counts.** Quick-serve chicken and burger restaurants dealing with lunch rush **need to make sandwiches as fast as possible to keep up with peak demand**—without compromising quality. Double your toasting output with precision using Prince Castle’s CTDE toaster.

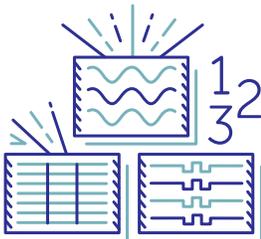

### Industry Leading Toast Quality

We are **industry leaders in toast quality** with patented compression technology **ensuring perfect caramelization** regardless of bread type.

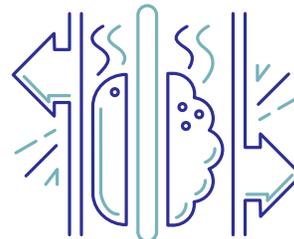

### Programmable Speeds & Temperatures

With Programmable Speeds & Temperatures, **operators can better align daypart menu changes**, personalize bread types, and **provide higher quality bun toasting**.

### Multiple Belt Options

Wire, silicone, and metal belts allow operators **flexibility to configure their toasting needs**—providing **consistent, uniform toasting and caramelization** end to end.

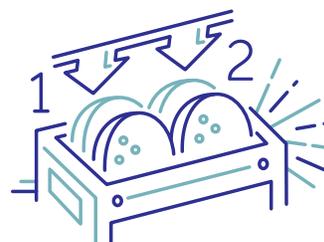

### Industry Leading Compression Settings

Prince Castle’s **proprietary parallel compression method** increases toast quality. **No bun crushing from tilting platen** to accommodate different buns and **to ensure perfect caramelization**.

### LCD Touch Screen with Digital Programming

Our new LCD touch screen display is **easy to program, easy to see, and easy to operate**—reducing errors and streamlining operations.

### Extended Design & Compact Footprint

With **new precision dual lane toasting and 30% smaller** than our legacy 297 toaster, Prince Castle’s CTDE Toaster is **the perfect toasting solution for high-quality, high-volume operations**.
