## EZ KLEEN SAUCE BOTTLES

### Top-to-Bottom Sauce Dispensing and Cleaning

Leave it to CFS Brands/San Jamar to upend the market with first-in-kind sauce bottles with unique side walls and openings on both ends. Available in three sizes, these gravity dispensing bottles make dispensing, storage, and clean up easier than ever before.

EZ Kleen sauce bottles help chefs and foodservice professionals streamline their operations, save time, and delight their guests with a sauce dispensing solution that is easy to use and clean.

### Features & Benefits

- Unique side walls and openings on both ends for EZ dispensing, storing, and cleaning.
- Gravity directs contents toward the valve.
- Three valve types accommodate thick or thin sauces/dressings.
- Interchangeable caps and clear sides improve operations.
- Durable polyethylene, BPA free and NSF certified.

SKU	Case Size
8573SV	Small Valve / 6 Pack
8573MV	Medium Valve / 6 Pack
8573LV	Large Valve / 6 Pack
8573N	Small Nozzle / 6 Pack
8573C	Small Cap / 6 Pack
8573NL	Large Nozzle / 6 Pack
8573CL	Large Cap/ 6 Pack

Unique side walls & channel-free caps leave no sauce behind

Available in 16 oz., 20 oz., & 24 oz. sizes

Colored valves help you differentiate content & accommodate thick or thin sauces/dressings

- Small for non-viscous sauces
- Medium for standard viscosity sauces (think ketchup)

- Large for chunky sauces (like tartar sauce with relish)

Leak-resistant valves even when stored upside down
