

### OUTSTANDING PERFORMANCE IN A DURABLE CABINET

Our Spec Line offering of refrigerators and freezers deliver superior temperature maintenance and unsurpassed reliability, even in constantly changing kitchen conditions. Our unique circular forced-air design with Load-Sure Guard, and user-friendly Smart Controls keep your food in consistently safe temperatures 24/7. A wide offering of energy efficient models will save you money while keeping your kitchen environmentally friendly.

### 1 REDUCE COSTS

- Faster temperature recovery means less potential for food waste
- Raised door pans protect gaskets, reducing replacement frequency
- All-metal, 100% foamed in place construction ensures equipment longevity
- EZ-Clean gaskets last up to 4 times longer than PVC

### 2 SAVE LABOR

- Easy-to-clean, front-facing condenser
- EZ-Clean gaskets profile and material simplify cleaning
- StayClear™ Condenser eliminates need for regular cleanings

### 3 SUPPORT FOOD SAFETY

- Unique circular airflow pattern eliminates warm pockets and maintains consistent interior temperatures, retaining more cold air in the cabinet when the door opens keeping food safe and fresh longer

### 4 ENJOY PEACE OF MIND

- Smart Control with full-text LED display provides precise temperature control, increased energy efficiency, and advanced diagnostics.
- Easy to read display includes critical alarms for cabinet temperature, power interruption, and more
- Factory-trained service representatives nationwide

**3 YEAR PARTS & LABOR WARRANTY  
5 YEARS ON COMPRESSOR**
