

EFFECTIVE AGAINST SARS-Related Coronavirus 2² SARS-CoV-2 in 1 MINUTE

²On hard, non-porous, non-food surfaces

KILLS SARS-CoV-2², which causes COVID-19

SANI-SPRITZ SPRAY

Sani-Spritz Spray is a one-step disinfectant cleaner that is effective against a broad spectrum of bacteria, is virucidal* (including HIV-1, the AIDS Virus and Hepatitis B Virus and Hepatitis C Virus), fungicidal, and inhibits the growth of mold and mildew, and their odors, when used as directed.

Sani-Spritz Spray has been formulated to aid in the reduction of cross-contamination not only in hospitals, but in schools, institutions, and industries. It meets AOAC testing standards for hospital disinfectants.

Contact Times

Pathogen	Kill Time (mins)
SARS-CoV-2 (COVID-19)	1
Influenza A (flu virus)	1
Human Coronavirus	1
HIV-1 (AIDS)	1
Soft Surface Sanitizing	5

Also kills more than 50 other pathogens!
