## New Wall Mounted Bottle Filler Stations

#BF-1-12  
single unit

*Eagle's NEW Bottle Filling Stations deliver a quick water bottle fill, minimizing dependency on disposable one-time-use plastic bottles. Units come with one or two touch-free electronic-eye faucet(s) which activate when a bottle is placed under the faucet's spout. It's that easy! A space-saving 12" front-to-back design. Models available with faucets to accommodate bottles from 8" to 12" tall. Anti-splash, wire, and custom trough covers available...consult factory.*
